NC Roundup

What a year it's been here at the NC! While we've been busy delivering our Programs and Services to local communities we've been through restructures, audits and more jars of coffee than we care to remember!

The restructures are done, we passed the audits with flying colours, and, thankfully, the coffee's still flowing. We've bid a sad bon voyage to team members (Anne, Matt, Mel and Anne) and welcomed new ones (Bec, Brendan and Ang). And through it all our dedicated team continues to provide assistance through 9 programs and services, including Youth, Family, Rural, Supported Accommodation, and Community Support programs, Home Modifications, Home Maintenance and Home Assist Secure programs, and Murweh Meals.

If you'd like to know more about any of the programs or services we offer, please call us on 4654 1307, pop into our premises on the corner of Alfred and Eyre Streets, or look us up at www.charlevillenc.org.au. We're also on Facebook—just search for Charleville Neighbourhood Centre.

Hello Brendan

A very warm welcome to our newest recruit, Brendan Albury, who has taken on the role of Home Modifications Project Officer.

Brendan is a qualified carpenter with over 30 years experience in the building industry, and spent the previous few years working around the Augathella district as a self-employed sub-contractor. Brendan enjoys camping and fishing, and is a volleyball enthusiast. He also enjoys the social side of polocrosse and has previously participated in fund-raising bike rides as a support person.

Welcome Brendan!

Farewell Anne

It's with great regret that we say goodbye to Anne Mackie in the new Since joining our team many moons ago, Anne's made countless deliveries to clients under the Murweh Meals program. But more than just Anne food. has also provided companionship, comfort and a link to the wider world, and we know her smiling face will be greatly missed by our clients. Thank you Anne for your dedication and care — we wish you all the very best in your future endeavours.

Do You Need A Gambling Lifeline?

You might have noticed a new face about town. Karen Moran is visiting Charleville as a Lifeline Counsellor supporting all people affected by unhealthy gambling. Most gambling is just fun and can be considered entertainment.

Karen said that "It's only when the gambling or gaming activity takes too much time or too much money away that it starts to interfere in daily life." Most people don't experience negative effects from entertainment through gambling. But for some families and friends who miss their loved ones or may be financially affected, gambling has become an intruder, taking away their joy.

For some people, a partner with a gambling problem feels like the partner is having an affair. There might be lying and missing time and the partner might be behaving differently.

The person gambling can also be very affected from the results of gambling.

So if gambling is taking away your joy in any way, arrange a chat with Karen. The service is free and confidential and you can see Karen face to face or choose to speak via telephone, or a video link can be organised using Lifeline or Health facilities.

Please call 1300 991 443 to make a time.

Garden Gate

Pots & Pots of Colour

The most practical way to add pizzazz to the summer garden is by filling pots with colourful flowers or foliage. Petunias and calibrachoas (which look like miniature petunias) are longlasting summer favourites that produce waves of flowers for months. Sow seeds of sunflowers, nasturtiums and salvia. There are plenty of modern leafy plants that are available in a variety of contrasting colours, such as native dianellas that have been bred for their shades of blue and purple, and the New Zealand flax that come in red, pink and sometimes even with contrasting stripes.

- Q: What are the strongest days of the week?
- A: Saturday and Sunday.

 The rest are weak days.
